#### Step Eleven:

"Made direct amends to such people wherever possible, except when to do so would injure them or others."

#### I am responsible...

When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there.

#### The Eleventh Tradition

"Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films"

Alcoholics who have recovered through our program are themselves the strongest attraction that A.A. has. When people are asked what led them to seek A.A. help, the answer given most often is: "An A.A. member." Their chances would have been slim if all of us had remained completely in hiding. But many of us have chosen to tell our friends, neighbors, employers, co-workers, doctors, or spiritual advisers that we are in A.A.—and when we do so, we are not breaking our anonymity in the meaning of this Tradition. Suppose a sick alcoholic never has the good fortune to meet an A.A. How is such a person going to find us? The search will be difficult if the local group thinks it should be anonymous, too. The Tradition is talking about "personal anonymity," remember? Alcoholics will not be attracted to A.A. if they don't know that it exists or if they have distorted, unfavorable impressions of its members or its program. Giving the general public an accurate picture of A.A. is the chief job of our public information committees. In addition, they often carry the message to certain groups—from police officers to personnel directors— whose work includes contact with active alcoholics.

# OPEN COMMITMENTS TO TREATMENT FACILITIES ANNOUNCEMENT

#### INTERGROUP TREATMENT FACILITIES COMMITTEE

"When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible."

Remember that the <u>primary purpose</u> of Alcoholics Anonymous is to stay sober and to help other alcoholics to achieve sobriety. There are far too many people in very early sobriety at Treatment Facilities that are not hearing the message that we are responsible for carrying. With that said the WAI Treatment Facilities Committee is pleased to announce some changes to help fill Open Commitment spots but we need your help.

Please visit the WAI website at <a href="www.aaworcester.org">www.aaworcester.org</a> and click on the Treatment Facilities Committee link in the lower right corner of the home page. There you will find calendars by facility to view open dates that we need your help filling. Once you find a date that you can help fill please contact the facility's Team Leader. Their emails are as follows:

- Adcare@aaworcester.org for all commitments to Adcare Hospital
- 2) CHL@aaworcester.org for all commitments to Community Healthlink
- Spectrum@aaworcester.org for all male units at Spectrum Health Systems
- MYRCHL(@aaworcester.org for all commitments to the youth program of CHL
- 5) Washburn@aaworcester.org for all commitments to Washburn House
- 6) Willows@aaworcester.org for all female units at Spectrum Health Systems

There are hundreds of open spots for just these 6 facilities we are working with. We need help and you can provide that for us in the following ways:

- Having your Group take a Standing Commitment
- 2) Having a group of friends take a Standing Commitment
- Having you and some friends fill an open spot until a Standing Commitment can be found

So please do what you can and if you have general questions you can always contact us at <a href="mailto:Treatment@aaworcester.org">Treatment@aaworcester.org</a>.

Thank you for your service, WAI Treatment Facilities Committee

When, therefore, we were approached by those in whom the problem had been solved, there was nothing left for us but to pick up the simple kit of spiritual tools laid at our feet. We have found much of heaven and we have been rocketed into a fourth dimension of existence of which we had not even dreamed.
